

# ACRELEC Announces New Online & AutoPay Payment Options for Customers, Powered by FTNI

*Global Restaurant and Retail Technology Company Adds New Electronic Payment Options to Increase Customer Convenience and Streamline A/R Operations.*

**CHICAGO, Ill. March 28, 2023** — ACRELEC, a leading global technology company that provides the world's largest restaurant and retail brands with hardware, software, and services, has announced the launch of new online and AutoPay payment capabilities. These advancements streamline its accounts receivable (A/R) operations and provide customers with convenient and secure payment options.

Leveraging decades of expertise, [ACRELEC](#) develops and integrates new platforms that help drive customer engagement and optimize operations. ACRELEC's 900+ employees around the globe collaborate with customers and partners to design, create and build the world's leading smart stores.

The new [online](#) and [AutoPay](#) payment features deliver ACRELEC's customers with convenient, contactless electronic payment options to quickly and securely view and pay invoices on their account via ACH or credit card. Powered by FTNI's ETran Integrated Receivables platform, ACRELEC customers can now enjoy convenient online payment options where they can securely store payment methods, schedule single and/or recurring payments and even enroll their account on AutoPay (automatic debit).

"At ACRELEC, we are committed to providing our customers with innovative technology solutions to reimagine the customer experience with restaurant and retail brands," said Collin O'Neill, CFO - Americas of ACRELEC. "With the help of FTNI's online and automatic debit solutions, we are able to provide our customers with an easier way to pay so they can continue to focus on improving efficiency and customer engagement within their businesses."

FTNI's ETran platform is a highly-configurable, modular solution that enables organizations to streamline and automate the complete A/R lifecycle, from invoice/statement presentment to payment acceptance, processing, and ultimately cash application operations—all on a single, cloud-based platform.

"FTNI is proud to partner with ACRELEC to help them deliver their customers with new online and AutoPay payment options," said John Karhoff, vice president of sales, FTNI. "We've developed a strong, collaborative relationship with the team at ACRELEC and are excited to support their continued growth with industry-leading payment acceptance and cash application solutions."
